Dear Examiner Lashley,

I received your voicemail from last night regarding the above-identified patent application. Attached please find the executed copy of the Declaration (3 pages).

According to our files, the signed Declaration was originally submitted on January 7, 2002, although it appears from private PAIR that it was not scanned in to the electronic image file wrapper with the rest of the application papers.

Please do not hesitate to contact me should you have any other questions.

Thank you,

Andrew Zidel
